PROFESSIONAL ACTIVITY

JOANA DESIGN STUDIO
Jewelry maker and I make everything adjacent to the project.
2017 – untill I die...
Jewelry brand created by me. I design the pieces, manufacture them and with my design knowledge I created the entire brand image, including the construction of the website and its online dissemination, exhibitions, and markets. All the creative work of the pieces, image of the brand, execution was made by me. Design is my passion.

MHS – Grupo MHS
Industrial Designer
2005–2020
Monitoring and execution of projects in full, from contact with the customer, concept, design, and the entire manufacturing process with suppliers of various materials, and final assembly on site. Main focus on the design of exhibitors and stands for perfumeries and consumer stores. I developed many projects with makeup and beauty brands from the L'Oréal group and Rimmel and much more.
Is a family business, but I want to grow alone.
